RIVER AND HARBOR BILL WILL PASS Stops Pain

Pains are very much alike. Pains are very much alike.
As the old saying goes, "Six of one are half a dozen of the other." The principal difference between pains is the names by which they are called. The name doesn't amount to anything. If the pain is in the back it is called one thing, and if it is in the leg it is called another, and yet if you should change those names the pain would hurt just as bad. Omega Oil stops pain. The trouble may be in the neck, shoulders, back, arms, elbows, wrists, hips, legs, knees, ankles or feet. No matter. Omega Oil puts out pain in all parts of the body just as water puts out fire in all parts of a house. It has been tried so often that there is no longer any doubt about it. Millons of bottles have been used and given satisfaction everywhere. Omega Oil stops pain, and don't forget it. Three sizes: 10c., 25c., 50c. m

RENEWS ORDER TO Chew What You Know About and **Know What You Are Chewing**

There is real pleasure in chewing the best tobacco grown—where the best tobacco grows—in the famous Piedmont Country.

Only choice selections of this well-matured and thoroughly cured tobacco is used in making SCHNAPPS. That's why SCHNAPPS and others of the Reynold's brands. as shown by the Internal Revenue statistics for a fiscal year, made the wonderful growth of six and onequarter million pounds, or a net gain of one-third of the entire increased consumption of chewing and smoking tobaccos in the United

Evidently, chewers cannot resist the flavor and they cheer SCHNAPPS because SCHNAPPS cheers them more than any other chewing tobacco, and every man that chews SCHNAPPS passes the good thing along-one chewer makes other chewers-until the fact is now established that there are many more

chewers and pounds of tobacco chewed, to the population, in those States where SCHNAPPS tobacco was first sold than there are in the States where SCHNAPPS has not yet been offered to the trade.

SCHNAPPS is like a cup of fine Java coffee, sweetened just enough to bring out its natural, stimulating qualities. SCHNAPPS pleases all classes of chewers: the rich, because they do not find a chew that really pleases them better at any price; the poor, because it is more economical than the large 10c. or 15c. plugs and they get their money's worth of the real snappy, stimulating flavor so appreciated by tobacco lovers. All imitations contain much more sweetening than SCHNAPPS. They are made that way to hide poor tobacco improperly cured.

For the man who chews tobacco for tobacco's sake, there is no chew

like SCHNAPPS.
